Montage- und Betriebsanleitung

Wichtige Hinweise

- Die Planung und Ausführung von Abdichtungen sind in der DIN 18534 "Abdichtung von Innenräumen" beschrieben und geregelt. Zur Vermeidung einer fehlerhaften Montage und Verarbeitung, sind vor Baubeginn, der Wandaufbau und die gewerkeübergreifenden Arbeitsgänge zwischen Installateur, Trockenbauer, Maurer und Fliesenleger abstimmen. Produkt- und Herstellerhinweise der geplanten Installations-, Wand-, Abdichtungs- und Wandbelagsmaterialien sind zu beachten. Der Schiebe-Klebeflansch ist vor Baubeginn dem Bauleiter bzw. Fliesenleger zu übergeben. Für die Trocken- und Nassbaumontage des Rohbausets sind bei Bedarf bauseitige Montageschienen zu verwenden.
